➤ **ALL HUNTERS: COLORADO HAS VERY UNPREDICTABLE WEATHER IN THE FALL. IT COULD BE 60 DEGREES DURING THE DAY AND BELOW 10 DEGREES IN THE MORNING DURING RIFLE SEASON AND 90 IN THE DAY AND 30 IN THE MORNING DURING ARCHERY. DRESSING IN LAYERS (LONG UNDERWEAR) IS THE BEST WAY TO COMBAT THE COLD. YOU CAN'T GO WRONG WITH WOOL CLOTHING IN THE LATER SEASONS.**

- For ALL of you hunting this year, we do recommend that you DRIVE OUT, shipping costs are extremely high and we have found that hunters find it easier and more economical to drive and take home their meat and heads on their own.
- This is just a suggested gear list and none of the clothing or gear is required with exception to orange hat and vest during rifle and muzzle loader seasons.
